Retraction: Syndrome of Inappropriate Antidiuretic Hormone Secretion Associated with Pramipexole in a Patient with Parkinson's Disease

The article “Syndrome of Inappropriate Antidiuretic Hormone Secretion Associated with Pramipexole in a Patient with Parkinson's Disease (DOI: dx.doi.org/10.14802/jmd.11008)” published in the April 30, 2011 issue of *Journal of Movement Disorders* has been retracted by agreement between the authors (Yoonjae Choi, Jeong Jin Park, Na Young Ryoo, So-Hyun Kim, Changseok Song, Im-Tae Han, Chang-Gi Hong, Choong Kun Ha, Seong Hye Choi) and the journal's Editor-in-Chief Yun Joong Kim due to duplicate publication. The initial article was published in the October 31, 2010 issue of *Journal of Movement Disorders* (DOI: dx.doi.org/10.14802/jmd.10015). Duplicate publication was not the authors' intention, but a mistake of the editorial office and the publisher. We deeply regret this mistake and apologize for any inconvenience to authors and readers of *Journal of Movement Disorders*.
